## The Columbia River

The Columbia River is the largest river in the Pacific Northwest, and it forms the border between Washington and Oregon. The river is a major source of hydroelectric power, and it is also a popular destination for fishing, boating, and rafting.

## **Mount St. Helens**

Mount St. Helens is an active volcano located in the Cascade Range in Washington. The volcano is famous for its eruption in 1980, which killed 57 people and caused widespread damage. Today, Mount St. Helens is a popular destination for hikers and climbers.

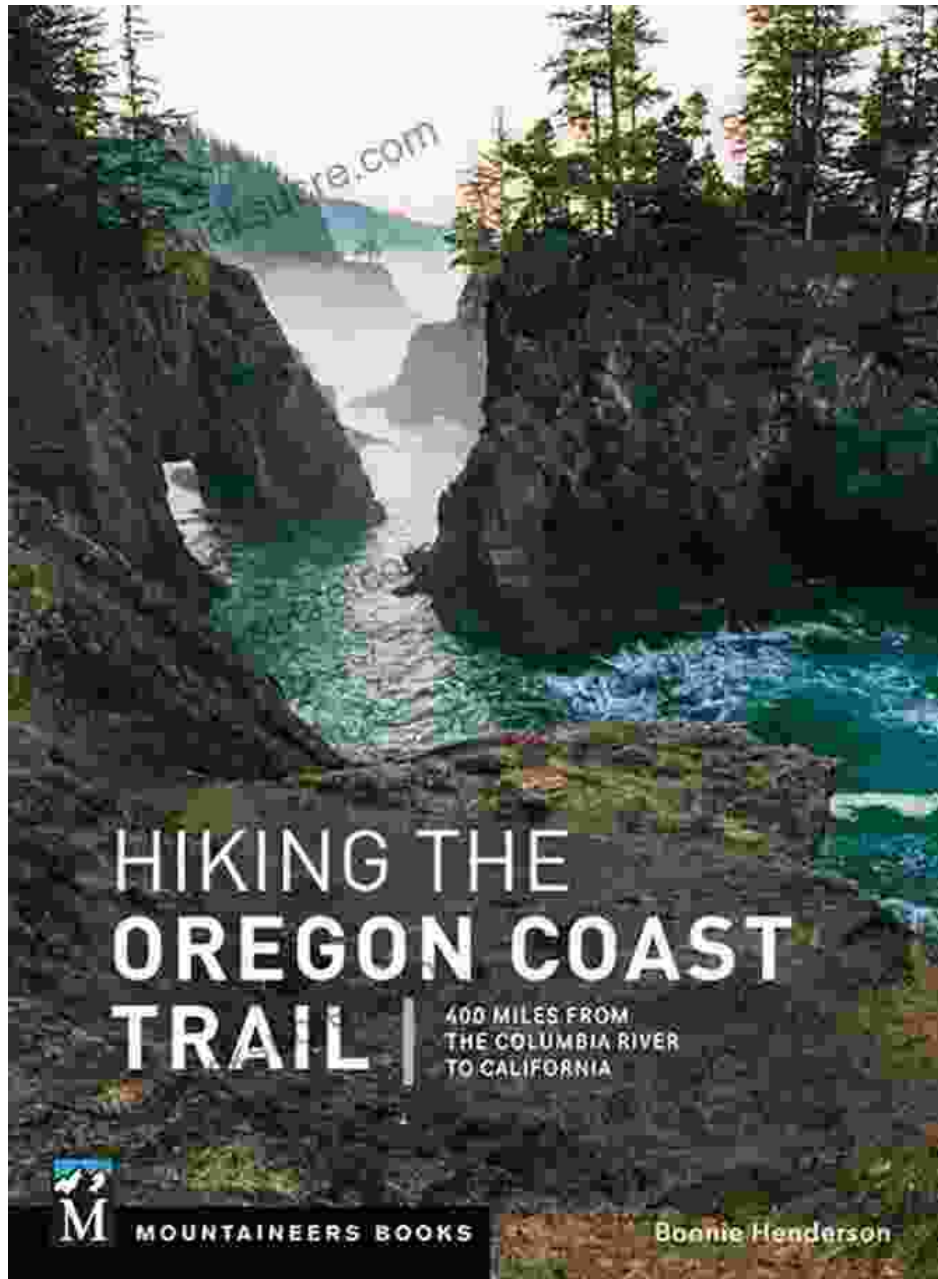

## **The Oregon Trail**

The Oregon Trail was a 2,000-mile wagon trail that stretched from Independence, Missouri to Oregon City, Oregon. The trail was used by over 300,000 people during the 19th century, and it played a major role in the settlement of the American West.

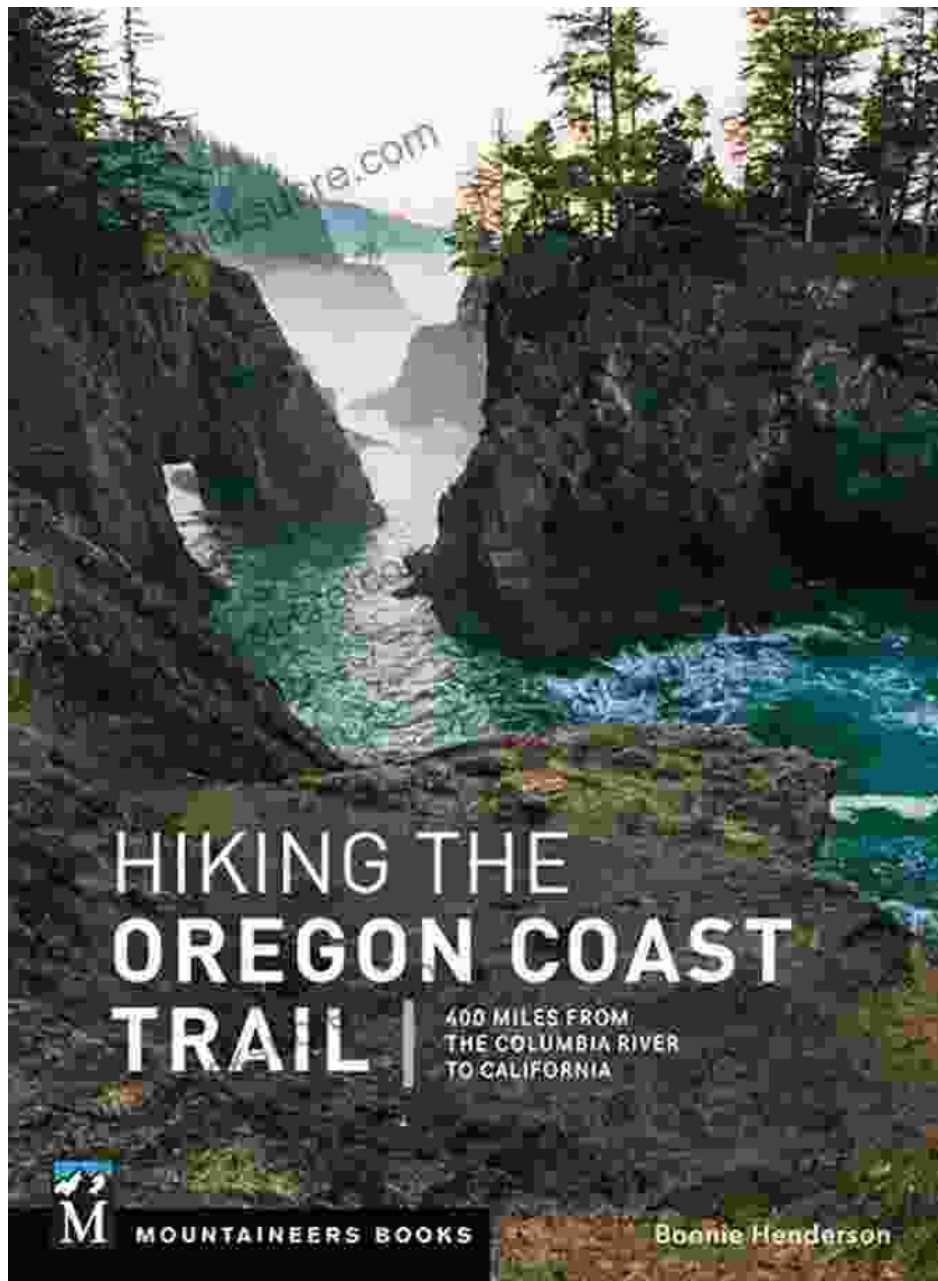

## **Crater Lake**

Crater Lake is a caldera lake located in southern Oregon. The lake is the deepest lake in the United States, and it is also one of the most beautiful. Crater Lake is a popular destination for hiking, fishing, and boating.

## Redwood National Park

Redwood National Park is a national park located in northern California. The park is home to some of the tallest trees in the world, and it is also a popular destination for hiking, camping, and wildlife viewing.

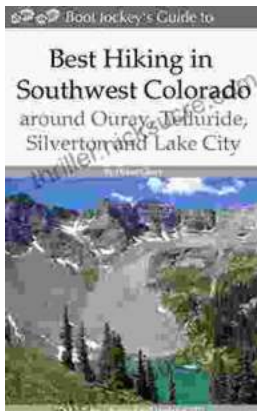

The journey of 400 miles from the Columbia River to California is one that is both educational and inspiring. Along the way, you will see some of the most iconic landmarks in the United States, and you will learn about the rich history and natural beauty of the Pacific Northwest.
