The Survivor Kid Practical Guide To Wilderness Survival is a comprehensive guide to surviving in the wilderness, written specifically for kids. This book covers everything from finding food and water to building shelter and starting a fire. It is a valuable resource for any child who enjoys spending time outdoors or wants to be prepared for an emergency.

What's Inside the Book?

The Survivor Kid Practical Guide To Wilderness Survival is divided into six chapters, each of which covers a different aspect of wilderness survival:

- **Chapter 1: Finding Food and Water**
- **Chapter 2: Building Shelter**

- **Chapter 3: Starting a Fire**
- **Chapter 4: First Aid and Safety**
- **Chapter 5: Navigation and Signaling**
- **Chapter 6: Survival Psychology**

Each chapter is packed with information and tips, and is illustrated with helpful diagrams and photos. The book also includes a glossary of terms and a resource guide.

What We Liked About the Book

We liked a lot of things about the Survivor Kid Practical Guide To Wilderness Survival, including:

- **It is written specifically for kids.** The book is written in a clear and concise style that is easy for kids to understand. It also uses kid-friendly language and examples.
- **It covers a wide range of topics.** The book covers everything from finding food and water to building shelter and starting a fire. It also includes information on first aid, safety, navigation, and signaling.
- **It is well-illustrated.** The book is illustrated with helpful diagrams and photos that help to explain the concepts and skills being taught.
- **It includes a glossary of terms and a resource guide.** The glossary of terms is helpful for kids who are unfamiliar with some of the terms used in the book. The resource guide provides information on where to find additional resources on wilderness survival.

What We Didn't Like About the Book

We didn't find much to dislike about the Survivor Kid Practical Guide To Wilderness Survival. However, we did think that the book could be more comprehensive. For example, it could include more information on specific plants and animals that can be found in the wilderness, as well as more information on how to treat common injuries and illnesses.

Overall Impression

Overall, we think that the Survivor Kid Practical Guide To Wilderness Survival is a valuable resource for any child who enjoys spending time outdoors or wants to be prepared for an emergency. It is a well-written and well-illustrated book that covers a wide range of topics related to wilderness survival. We highly recommend it.
